

# STAG4 WELDING

WELDING - INDUSTRIAL - AEROSPACE

## PRODUCT DESCRIPTION

The Stag4 in suede is an ergonomic stool that reduces pressure in the knees, ankles and in the lumbar region. It facilitates kneeling work in an absolute comfort. Also, due to its fireproof material, it allows for a more secure work environment.

“ The StAG4 reduces muscular effort in the neck area, shoulders, back and lower limbs. It promotes better posture and alignment of the joints when working close to the ground without muscular effort. ”

## ENVIRONNEMENTS & BENEFITS

- ✓ Welding
- ✓ Mechanical and maintenance world
- ✓ Aerospace
- ✓ Industry/mining
- ✓ Transport
- ✓ Multiple ergonomic positions
- ✓ Protects and relieves pressure on the knees
- ✓ Allows better blood circulation in the lower limbs
- ✓ Frontal support when kneeling reduces lumbar compression
- ✓ Fire-resistant material designed for welding

COVERING	<ul style="list-style-type: none"> <li>✓ Suede / Welding Grade (Black)</li> </ul>
TOOL TRAY	<ul style="list-style-type: none"> <li>✓ Small</li> <li>✓ Large</li> </ul>

## WARRANTY POLICY

**LIMITED LIFETIME GUARANTEE – ERGONOMIC PRODUCTS:** Synetik design guarantees all their products against manufacturing defaults for a full ten (10) years following the date of purchase. The frames of the stools, the pneumatic cylinder and all fixed features of the stool are guaranteed for life. Any moving mechanical parts are covered for ten (10) years. This guarantee does not apply to products needing replacement due to normal wear and tear, due to negligence, obvious abuse, or any damage caused in transport or any use of the product not in conformity with the included instructions and hazard warnings. Synetik design offers no other guarantee against wear other than the applications indicated within this document. Synetik design will not be held responsible at any time for any damages received, interests accrued, direct or indirect losses, incidental or consequential losses, repeated losses or damages. This guarantee applies only to regular use, meaning a standard eight (8) hour work day, and for use by an individual with a maximum weight of 350lbs.
