

## PRODUCT DESCRIPTION

The Industrial-TF180 ergonomic chair with a steel base and wider backrest is ideal for work over long periods. 3 levers allow many adjustments. Suitable for many industrial applications including those in manufacturing, aerospace and production. The high cylinder and foot rest make it the ideal chair for work at counter height.

“ This seat provides multiple adjustments and optimal comfort. Correct posture and increased mobility no matter the morphology of the user result in reduced fatigue. ”

## ENVIRONMENTS & BENEFITS

- ✓ Aerospace
- ✓ Industrial/mining
- ✓ Transport
- ✓ Pharmaceutical industry
- ✓ Production / Manufacturer
- ✓ Food industry
- ✓ Adjustable seat height and angle for an ergonomic and comfortable position
- ✓ Backrest angle adjustment offers optimal back support
- ✓ Reduces lower limb muscular effort
- ✓ Ideal for work on high surfaces

## WARRANTY POLICY

**LIMITED LIFETIME GUARANTEE – ERGONOMIC PRODUCTS:** Synetik design guarantees all their products against manufacturing defaults for a full ten (10) years following the date of purchase. The frames of the stools, the pneumatic cylinder and all fixed features of the stool are guaranteed for life. Any moving mechanical parts are covered for ten (10) years. This guarantee does not apply to products needing replacement due to normal wear and tear, due to negligence, obvious abuse, or any damage caused in transport or any use of the product not in conformity with the included instructions and hazard warnings. Synetik design offers no other guarantee against wear other than the applications indicated within this document. Synetik design will not be held responsible at any time for any damages received, interests accrued, direct or indirect losses, incidental or consequential losses, repeated losses or damages. This guarantee applies only to regular use, meaning a standard eight (8) hour work day, and for use by an individual with a maximum weight of 350lbs.
