

PRODUCT DESCRIPTION

The TIP mattresses in suede are offered in multiple sizes in order to fit to workers need. They are recommended for restraining work position, especially when working close to the ground. With its fireproof material, it becomes an ideal supplement for welding work.

“ This type of mattress greatly improves comfort when workers must complete tasks in difficult positions without a chair. Combined with frequent position changes, this equipment delays muscular fatigue and promotes worker efficiency. The mattress also protects the knees. ”

ENVIRONMENTS & BENEFITS

- ✓ Welding
- ✓ Aerospace
- ✓ Industrial
- ✓ Reduce discomfort and fatigue associated with tasks done while kneeling or lying on the ground
- ✓ Limit the pressure points on joints when working on hard surfaces
- ✓ Fire-resistant material designed for welding

WARRANTY POLICY

LIMITED LIFETIME GUARANTEE – ERGONOMIC PRODUCTS: Synetik design guarantees all their products against manufacturing defaults for a full ten (10) years following the date of purchase. The frames of the stools, the pneumatic cylinder and all fixed features of the stool are guaranteed for life. Any moving mechanical parts are covered for ten (10) years. This guarantee does not apply to products needing replacement due to normal wear and tear, due to negligence, obvious abuse, or any damage caused in transport or any use of the product not in conformity with the included instructions and hazard warnings. Synetik design offers no other guarantee against wear other than the applications indicated within this document. Synetik design will not be held responsible at any time for any damages received, interests accrued, direct or indirect losses, incidental or consequential losses, repeated losses or damages. This guarantee applies only to regular use, meaning a standard eight (8) hour work day, and for use by an individual with a maximum weight of 350lbs.
